

SOMERSET PATRIOTS PRESENT

FIRST RESPONDERS NIGHT

+ September 11th, 2018 @6:35pm +

In honor of the many sacrifices made by area First Responders on 9/11/01, the Somerset Patriots wish to honor our area first responders with a night of fun and baseball. All first responders in attendance will be recognized down on the field prior to our 6:35 game against the Southern Maryland Blue Crabs accompanied by a moment of silence before the National Anthem for the many first responders we lost that day. We will have onfield competitions between different fire departments, rescue squads, and police departments. All first responders are encouraged to wear clothing that sports their agency and any apparatus brought out will park for free!

Each department or squad will be recognized with a PA Announcement and on our scoreboard during the game!
