

# Calling all First Responders! We're Having a Centennial Celebration Just for You!

Your dedication. Your bravery. Your commitment to care.

Thanks to First Responders like you, our community is safer, healthier and happier.

Penn Medicine Princeton Health is proud to work with you in serving central NJ residents. And this year we're proud to celebrate our 100th year!

To say thank you for all you do — and to help us celebrate this important milestone — we'd like you to join us for a very special event for First Responders.

You're invited to a special dinner!

**Monday, November 25**  
**6 to 9 p.m.**  
**Princeton Medical Center**

Please RSVP to the First Responders dinner by visiting  
**[princetonhcs.org/100years](http://princetonhcs.org/100years)**.

Registration is optional but, by doing so, you'll be entered into a drawing to win a prize!
