F. ESF Activities

All ESFs are represented at the SEOC.

- ESF Summaries
 - ESF #1 Transportation - NJ Transit will update information at the following link;
njtransit.com/COVID19
 - There is no travel ban on NJ roadways. The Governor requested that people stay off the roads during the COVID-19 emergency unless they are providing or seeking to obtain essential services or supplies.

- New Jersey to New York, NY Waterway ferry service is suspended until further notice.
<https://www.nywaterway.com/AdvisoryDetails.aspx?aid=655>
- Amtrak implemented major service adjustments
<https://www.amtrak.com/alert/service-adjustments-due-to-coronavirus.html>
- NJ Transit updated schedules are available at the following link;
https://www.njtransit.com/hp/hp_servlet.srv?hdnPageAction=HomePageTo
- The Port Authority of New York and New Jersey (PANYNJ) will update information at the following link;
<https://www.panynj.gov/port-authority/en/alerts/coronavirus-updates.html>
- Newark Airport anticipated 7 targeted flights and a total of 203 passengers for screening on April 4.
- FMCSA has issued a three-month waiver in response to the COVID-19 Emergency for States and Commercial Learners Permit (CLP) holders operating commercial motor vehicles. The waiver allows a commercial learner permit driver to operate a commercial motor vehicle alone without having a commercial driver license (CDL) holder in the front seat with the learner permit holder. The benefit of this waiver will allow CLP drivers to continue their training, due to the closures of state departments of motor vehicle facilities.
<https://www.fmcsa.dot.gov/emergency/three-month-waiver-response-covid-19-emergency-states-and-clp-holders-operating>
- The FMCSA has extended specific waivers for expired Commercial Driver's License (CDL), Commercial Learners Permit (CLP), Non-Commercial Driver's License (Non-CDL), and Driver Medical Examiner Certifications until June 30, 2020.
- There are prerequisites to meet the waivers which are very specific for each license and medical card listed above. The details are listed in link attached below. The documents listed are the waivers and proper enforcement or more specifically the no enforcement to be taken on expired CDL's, CLP's and Non-CDL's and lists the waivers for expired medical cards, skills tests, and also lists, towards the end of the document, what does not apply to.

K. Resource Management

- Resource Management Section is processing resource requests from counties – The Department of Military and Veterans Affairs is filling some DOH requests for manpower and supplies to assist with testing sites.
- Sixteen (16) Resource Request Forms have been sent to FEMA for processing.
- Build out of bulk purchasing as well as warehouse and distribution management.
- No resource requests for medicine are to be accepted or entered into ETEAM.
- When an agency is submitting a resource request via ETEAM, please ensure that the requesting agency is listing their organization in the "Requesting Organization" field (i.e. XXXXX County, New Jersey Department of XXXXXX, etc.). For all County OEM Agencies, please add a summary note in the "Summary of Actions Taken" whether the County Agency can or cannot fill the request and why it cannot be filled (i.e. All vendors have been contacted, vendors cannot meet the request and that you have advised the requester they should continue to reach out to their vendors).
- Additionally, please include the timeline of "When Needed" and "Quantity of Unit of Measure" filled in (i.e. 1,000 nitrile gloves or 250 N95 masks, etc.).
- All State bid vendors are out of stock or back-ordered on all masks and hand sanitizer.
- Other items like cleaning products, gloves, and eye protections can still be ordered from vendors.
- For specific procurement guidance from Treasury, refer to memo sent from the NJEOC on March 15th at 1557hrs.
 - All resource requests must go through County OEMs to NJOEM. Follow normal procedures for requesting resources through E Team.

- For PPE Requests, please enter the following in the Block - "Tracking Number - State"
 - PPE - Health (Health can submit in bulk)
 - PPE - Non-Health (Each item needs to be submitted separately)
- For Non-Health Care facility related resource requests, the requests must be broken down into separate requests. For example, masks and gloves will go on 2 separate resource requests in ETEAM.
- Please source Household Commodity resources such as bleach, toilet paper, hand sanitizer, disinfectant wipes etc. through your own channels.
- No food, water, or office supply requests.
- Please enter an actual quantity of items needed (not cases, boxes, etc.)
- NJDOH is providing health care facilities PPE from Health & Human Services – Strategic National Stockpile
