<https://www.fmcsa.dot.gov/emergency/expanded-emergency-declaration-under-49-cfr-ss-39023-no-2020-002-relating-covid-19>
  - ESF #3 Public Works & Engineering / ESF #10 Hazardous Materials
    - NJDEP continues to monitor COVID-19 situation updates and coordinate with NJESF-3 and NJESF-10 stakeholders and partners. The Water & Wastewater, Dams, Chemical & Hazardous Materials, Petroleum, Nuclear, Radiological, Solid & Hazardous Waste sectors/facilities continue to protect their operations.
    - General guidance on regulated medical waste and regulatory status of diagnostic laboratories, testing centers, and Field Medical Sites handling of COVID-19 regulated medical waste.  
<https://www.nj.gov/dep/enforcement/advisories/2020-06.pdf>
    - Per EO-118, all state parks and forests are closed to the public until further notice. This full closure includes all park lots, grounds, facilities, trails, playgrounds. All park gates and entrances are closed. Trail use, hunting, and

fishing is prohibited. Park areas will be patrolled by NJ State Park Police to ensure the public is following the Governor's directives to stay home to help limit the spread of COVID-19. For updates: <https://njparksandforests.org>.

- ESF #6 Mass Care –Information at the following link;  
<https://nj.gov/humanservices/coronavirus.html>
  - Working with NJOEM resource Unit on PPE Requests and Delivery. All LTCs will be receiving shipments this week. Counties will distribute.
  - NJOEM Team formed a Non-Congregate Shelter Task Force to work on solutions to house those suspected of having COVID-19 signs and symptoms in a hotel setting. NJDHS is a part of this team that consists of NJOEM, FEMA, NJDOH, and NJDCF personnel. NJOEM and Task Force forwarded a general Statewide letter to FEMA R2. An RFQ went out for a contractor to do this and we're hoping to learn of the group selected today
  - Continue to explore additional facilities for future quarantine of Developmental Centers/ Group Home clients, if needed. Operations here will also depend on policy and contractual issues
  - Ensuring vulnerable populations are taken care of during this event. Coordinating with our County OEMs and other partners to identify impacted vulnerable populations and define an approach to conducting wellness checks on them, utilizing Register Ready and other sources of data. NJDHS Divisions are working closely with our Providers and those engaged with the vulnerable populations in order to get a sense of the numbers that will need continued services or wellness checks. Delivery of food may be required as well as support for transportation of dialysis patients. NJ GAINED conference call today.
  - Red Cross ERV supporting feeding operations at Bergen County College with their ERV serving as a distribution point for food items. BCC mission may end April 10th. We are asking that local food vendors be utilized to support future feeding operations across the State in order to support that community during this time of crisis if feeding is needed
  - Coordinate Volunteer support through Governor's Office of Volunteerism, NJVOAD, State VAL to support volunteer opportunities across the State. The Community Foodbank of NJ has been using some volunteers from Team Rubicon, Civil Air Patrol and members of the Mason's to support putting together food boxes. Director Maples of OHSP emailed the Interfaith Advisory Council to assist with volunteer opportunities and other activities around the state.
- ESF #7 Resource Support - ESF 7 volunteer manpower is available. If manpower is needed for tasks that can be done safely given the social distancing concerns, VOAD may be able to match the volunteers to assist.

- NJVOAD has updated <http://helpnjnow.org> website to accept direct cash donations for NJ Pandemic Relief Fund and other NJ organizations addressing our needs.
  - The Department of Treasury is providing requestors with vendor information for them to be able to purchase supplies on their own.
  - Continuing private sector outreach, continuing to work on volunteer management procedures, and assigning E-Team requests for PPE under NJOEM in ESF 7.
- ESF #8 NJDOH - NJ 2-1-1 is live. Residents can also text NJCOVID to 898-211 to receive text information and stay informed. To receive live text assistance, residents can text their zip code to 898-211. This will increase call capacity and reduce wait time.
    - April 7 through April 8, 2-1-1 received **811** calls. Since March 18, a total of **14,418** calls have been received.
    - Text “NJCOVID” to 898211 received **118,039** enrollments to date

#### **J. Planned meetings, calls, press conference**

- 1300hrs Governors Press Briefing 4/9/2020

#### **K. Resource Management**

- 23 Resource Request Forms have been sent to FEMA for processing.
- In order to accommodate the increased procurement and the need for receiving, warehousing and shipping of PPE, a Critical Resource Unit was created under Resource Management Section. This unit handles all of the planning and logistics as it relates to these items and includes an offsite warehouse where all items are shipped from.
  - Ventilators were shipped on 4/7/2020 to 3 hospital systems.
  - On 4/5/2020, order went out to all 21 counties to provide PPE specifically to 668 long-term care facilities throughout the State.
- No requests for medicine or medical supplies (i.e. IV poles, BP machines) should be accepted. These items are not procured through this process (ETeam) and must be procured through agency's normal procurement procedures and policies.
- No food, water, or office supply requests accepted by SEOC.
- When an agency is submitting a resource request via ETEAM, please ensure that the requesting agency is listing their organization in the "Requesting Organization" field (i.e. XXXXX County, New Jersey Department of XXXXXX, etc.). For all County OEM Agencies, please add a summary note in the "Summary of Actions Taken" whether the County Agency can or cannot fill the request and why it cannot be filled (i.e. All vendors have been contacted, vendors cannot meet the request and that you have advised the requester they should continue to reach out to their vendors).
  - Additionally, please include the timeline of "When Needed" and "Quantity of Unit of Measure" filled in (i.e. 1,000 nitrile gloves or 250 N95 masks, etc.).
  - Please enter an actual quantity of items needed (not cases, boxes, etc.)
- For specific procurement guidance from Treasury, refer to memo sent from the NJEOC on March 15<sup>th</sup> at 1557hrs.
  - All resource requests must go through County OEMs to NJOEM. Follow normal procedures for requesting resources through E Team.
  - For PPE Requests, please enter the following in the Block - "Tracking Number - State"
    - PPE - Health (Health can submit in bulk)
    - PPE - Non-Health (Each item needs to be submitted separately)
- For Non-Health Care facility related resource requests, the requests must be broken down into separate requests. For example, masks and gloves will go on 2 separate resource requests in ETEAM.

- Please source household commodity resources such as bleach, toilet paper, hand sanitizer, disinfectant wipes etc. through your own channels.
- NJDOH is providing health care facilities PPE from Health & Human Services – Strategic National Stockpile
