KENDALL PARK FIRST AID AND RESCUE SQUAD

NEW MEMBER RUN BOOK

While we have SOPs, this will be a quick guide to all new members.

PPE: All members are required to wear gloves and N95 masks by the time we arrive on scene.

Uniforms: All members are required to wear uniforms provided by the squad.

Safety: All members are required to wear seatbelts while riding in the ambulance irrespective of where you are seated.

Navigation: While there is Garmin GPS units in both A62 & A63, there are magnetic phone mounts placed in both the rigs for your convenience.

Maps for Whitehall Gardens (Holland Drive) & Westminster Drives are in the address books of both the rigs.

Rig Checks: All members are required to understand each equipment and supplies in the rig. Please talk to your Crew Chief for more help.

Schedules: Schedules for the month are usually posted by 20th of every month. You all have access to PlanIT EMS.

URL: http://kpfars.planitems.com

User Name: first letter of first name, last name

Initial P: KPFARS2022

If you forgot your password, let me know I will reset.

Basics:

While there are many other things that all of us must be familiar, all members must be familiar with the following.

- Operating Stretcher
- Vitals: Pulse Ox, Blood Pressure, Temperature, Manual Pulse
- All things O2:
    - Setting up Portable O2 Tank
    - Nasal Canula, NRB, BVM
    - Changing Main Oxygen Tank
- Suction
- CPR
- Moving Patients:
    - Reeves
    - Stair chair
    - Scoop Board or Scoop Stretcher
    - Mega Mover

- Bleeding Control
- EMS Charts: Click here to learn the basics
