Backup Crew: Thank you to those who volunteered for the backup crew on February 18.

Scheduling Challenges:

- Issues with Wednesday and Saturday night scheduling, especially 12am–6am.
- SB3 plans to replace the Saturday night 6pm–6am crew to fill the scheduling gap.
- 6pm–12am crew must confirm with the 12am–6am crew and dispatch if the latter will be riding.
- Do not tell dispatch there's no crew unless you've spoken to Al first.
- Need more trained drivers, crew chiefs, and general members for 12am–6am shifts.

Blue Light Permits:

- Submit requests to Al; check your emails for the form.

Crew Call-Offs:

- Call Al first before canceling a crew.

Upcoming Drills:

- March Drill: 1-hour OSHA presentation (will be recorded with added quiz).
- April Drill: CEU session on dialysis (2 CEUs); EMTs should verify it's added to their transcript.
