

EMS Council of NJ Annual Symposium & Trade Show

Saturday, October 19 2024

800 - 1100 (3 hours / 3 CEUs)

Active Shooter - Preparation and Response

Presented by

Eric Prach, EMT & Police Officer

Considerations for EMS, both prior to and during an active shooter / killer incident, as well as treatment for the most commonly seen injuries. Includes an introduction to the concept of Rescue Task Force (RTF).
