Hybrid EMT Initial Training—2026

Winter/Spring - Edison - Sunday / Tuesday
NJDOH Course #: 166437

Note: This Class is an extremely intense program with a condensed time schedule. Success will require your undivided attention and will require a large amount of your free time for study and practice.

About Our Program	Prerequisites	Date and Time
Community Safety Consultants offers you a comprehensive training program for those who want to enter the challenging and rewarding field of Pre-hospital Emergency Care. Our program uses a multi-faceted approach to include the essential skills necessary to care for the sick and injured.	All students must have a current BLS Provider or Equivalent CPR certification prior to the beginning of the class.	01/04 0830-1630 01/11 0830-1630 01/18 0830-1630
	Attach copy of Certification with Application	01/25 0830-1630
This is a hybrid program that relies on the student participating in independent textbook study, on-line lectures, reviews and evaluations. The student can proceed at their own pace, either day or night spending as much time as needed to follow the class schedule of study.	All students must be 16 years of age or older by the first day of class.	02/01 0830-1630
	Reliable Internet access is a requirement of this class.	<u>02/03 1830-2230</u>
	You must have an NREMT and NJOEMS account prior to registration. [www.nremt.org www.njems.us]	02/08 0830-1630 02/15 0830-1630
	NREMT Application # _____	03/01 0830-1630 <u>03/03 1830-2230</u>
	Tuition, Textbook and Supplies	03/08 0830-1630
	<u>Cash/Check/Credit Card Payments:</u>	03/15 0830-1630
	1 st payment = \$685 non-refundable textbook and online access fee.	03/22 0830-1630
	2 nd payment = \$1500 tuition due no later than <u>5 days before the start of class.</u>	03/29 0830-1630 <u>03/31 1830-2230</u>
We augment this independent study with instructor led Skill Sessions where the student is offered hands on training using actual field equipment. Life-like training manikins and interactive scenarios to simulate live patients enhance the training experience. The students will develop the essential skills and be able to recognize and understand how to react to real life emergencies.	<u>NJ Training Fund Form</u> (For eligible volunteer agencies): Training forms must be handed in with State approval 5 days BEFORE START of Class.	04/12 0830-1630 04/19 0830-1630
	This form covers the course tuition (\$1500). A \$600 non-refundable textbook and online access fee is due with this form.	<u>04/21 1830-2230</u>
Our mission is to train all of our students to competently care for any emergency they may encounter. Our Instructor Staff has many years of Emergency Medical Services experience. We hope to challenge you into becoming excellent EMS providers.		04/26 0830-1630 <u>04/28 1830-2230</u>
Attendance Policy	Refund Policy	

Attendance at all sessions is mandatory. All assignments must be completed prior to any scheduled testing. Absence from testing results in failure for the exam. Double failure of any test will result in dismissal from program. No exceptions are allowed.

Cancellation 10 or more days before class – a tuition refund less \$125 Administration Fee (\$1350) will be provided.

NO REFUNDS ISSUED AFTER THIS DEADLINE and certainly not after class begins.
